### What are these 2 days about?

Using materials from the national Mission-shaped Intro course, we will consider.....

- ▶ How is God at work among us in The Six?
- ▶ How can we connect with modern culture?
- ▶ How may God be calling us to change?
- ▶ What is God calling our church communities to be and to do?

### What will we do?

- ▶ Learn about how we can understand modern culture better
- ▶ Hear examples of how a variety of churches are engaging with the needs of modern society
- ▶ Meet with each other across the cluster and see how we can work together more closely
- ▶ Think, talk, pray and learn together

### Why should I come?

- ▶ Because God is at work in our communities and wants us to join in
- ▶ Because together we can make an impact, enabling church life to become richer, more diverse and more attractive.
- ▶ Because many people are put off by how the church appears to them, and we can do something about it
- ▶ Because you have a unique contribution to make to the discussion
